Existing law also provides that the licenses authorize the holders thereof to practice vocational nursing only within a facility of the Department of Corrections or the Department of the Youth Authority and that they are valid only for the period of employment with a specified exception for those persons who were employed at the psychiatric unit of the California Medical Facility.~~

~~This bill would repeal this provision operative January 1, 2003.~~

~~(2) Existing~~

~~Existing law provides for the licensing and regulation of various occupations and professions, each administered by a board, as defined,~~

~~This bill would, commencing January 1, 2003, provide that no peace officer employee of the Department of Corrections or the Department of the Youth Authority shall provide the services of either a licensed vocational nurse or a registered nurse. The bill additionally would establish specified employment procedures for these departments regarding peace officers, medical technicians, and nurses as well as guidelines for the decisionmaking authority of a vocational nurse Medical Technical Assistants and Senior Medical Technical Assistants with respect to the care and treatment of inmates.~~

~~The bill also would make conforming changes with respect to the reclassification of medical technical assistants and senior medical technical assistants to licensed vocational nurses for purposes of retirement benefits.~~

~~(3) Under~~

Under existing law, the Department of Corrections is vested with powers and duties necessary for operating the California prison system.

This bill would require the department to ensure by January 1, 2005, that all of its medical facilities are accredited by the National Commission on Correctional Health Care, an organization specializing in accrediting health care facilities in correctional settings. The bill would require the department to provide the Legislature with an annual report, as specified.

~~(4) Existing~~

Existing law authorizes the Director of Corrections to charge a \$5 fee for each inmate-initiated medical visit of an inmate, and requires that the moneys received be expended to reimburse the department for direct provision of inmate health care services.

This bill would repeal this provision.
